What we offer

We provide a dedicated team to manage your account and handle any day to day enquiries, claims and administration.

We will undertake an annual review of your insurance arrangements.

We also provide other insurance services to support your business such as Poolsure and Spasure, our specialist policies providing specifically enhanced covers for the wet leisure industry, tailored to include the liability, contract works and other covers required for your business. We are happy to discuss other insurances with you and provide further advice and quotations.
