

Who are Nsure?

Nsure have over 20 years experience of providing specialist insurance for the Swimming Pool, Hot Tub, Spa and Allied Trades Industry and our Spasure Scheme is recommended by SPATA and BISHTA.

Key Industry Covers

Our Spasure Scheme policy includes many covers specific to the industry including:

- Legionella £2m limit
- Wet Testing
- Public Liability £5m limit including heat work
- Hot Tub hire - ancillary to main business.
- Theft and damage cover for in-ground pool, hot tub & spa displays & property in the open
- Bona Fide subcontractor checking clause £1m

What we offer

We provide a dedicated team to manage your account and handle any day to day enquiries, claims and administration.

We will undertake an annual review of your insurance arrangements.

We also provide other insurance services to support your business such as Professional Indemnity including collateral warranty checking, Directors and Officers and Motor Fleet. We are happy to discuss other insurances with you and provide further advice and quotations.

“NSURE... A name to trust and know that there is always help and advice at the end of the telephone”

Claire Asher, Asher Swimpool Centre Ltd

“Having been with Nsure for many years, I have first-hand experience of the quality of service and customer care that is provided by Keith and his team and would highly recommend the company for all their insurance needs”

Jamie Smith, Director, London Swimming Pool Company Ltd
